# STATE PAINTBALL RECAP

State Paintball 2015 was a blast this year! With hours of blazing paintballs, scarfing down Krispy Kreme Donuts, and having a little friendly competition among brothers, there couldn't have been a better way to start of the year! Thank you to all the youth and adults that attended and helped with the event. Your contribution provided so much for this event and the jurisdiction couldn't be more grateful. From playing a game of Civil War to hunting down the State Master Councilor on the field, this was an event many will remember for a long time (mostly because of the bruises).

Here is one of the many awesome photos taken at State Paintball by Dad Rinehart! *For more check out the photo album on the Washington DeMolay Facebook page by clicking on the images!*

# STATE CHAPTER RETREAT RECAP

"My name is fear," said the dragon. "If you run away from me without listening to what I have to say, you might end up avoiding something that is important to you."

This was one of the many lessons as the State Chapter attended this year's State Chapter Retreat. They also learned how and what it means to be a leader at the state level, the chapter level, and among their peers while participating in various team building activities and for many, overcoming their fears and slaying that dragon.

## THE SMC'S WONDERFUL WORDS

Hey All!

Wow! Is it getting hot outside or what? I constantly have three fans running in my apartment and I still feel the heat. I like to get outside when it seems like my room starts to become an oven and I think you should too! As the temperatures continue to rise and the sun never seems to leave, I hope you all really enjoy going outside and having fun! This is the perfect time to do a car wash, a field day, hold a family barbecue, and do some whitewater rafting. I hope you are inviting your friends to activities so you can share with them the wonderful DeMolay family! And don't forget, invite your local Rainbow Assemblies and Job's Daughters Bethels to join you on all your fun and hold those joint events that will only increase the fun!

We have a couple great events coming up including Washington Cup! I am so excited for you to join us at this event, but you cannot just win 1st place by showing up! You have to practice with your chapter! Get together a couple times leading up to July 25th so you can practice your softball skills and really show off when you get to Bremerton! This event won't be one to miss!

We have gotten off to a great start this year! We have had 2 retreats, 1 State Paintball, the First OV at Olympia Chapter, many installations (Chuckanut had their first in over 5 years!), and now it is

time to look towards the future! Summer is the perfect time to create fun and have amazing events. All it takes is a little creativity and some follow through. If you ever need help, want advise or want us at an event, please contact the Corps and we will be sure to be there for you. Because at the end of the day, this organization is all about you! Through your summer fun, please remember to never stop striving to make DeMolay the Most Wonderful Place on Earth!

Sincerely,

Andrew J. Everett, SMC

## DEMOLAY OF THE PUBLICATION

### *BRO. MASON NAGY*

After talking to multiple brothers, advisers, and peers, it was obvious who the DeMolay of the Publication would be, Brother Mason Nagy from Edward James. Nothing but good things were said and noticed about Bro. Mason by Washington DeMolay. Here are some of the things said about him, "Active and positive", "Eager to help", "Does the lousy jobs like taking out the garbage and doing the dishes", and "respectful to his brothers and advisers". This last month at the Edward James installation, he was given recognition for his hard work by being presented as the DeMolay of the Term. Only great things lie in the future for Mason and we look forward to see what other amazing things

we see from him and hear about him.
