

BILLBOARD OF BROTHERHOOD

State Master Councilor's Message:

Hey Hey Washington DeMolay!

School is out, the summer sun is finally shining in the Evergreen State, and it is an exciting time for DeMolay!

This past month, Senior DeMolay of Des Moines Chapter MWB Jim Mendoza undertook a new mantle of leadership by being installed as the Most Worshipful Grand Master for the Grand Lodge of Washington, where he revealed the "One More" initiative, a movement to get one additional advisor for every one of the Masonic Youth Groups in their respective locations.

Also, this last weekend was the International DeMolay Congress session where your jurisdiction was represented well by Congress Delegates DSMC John and SMC myself. Also attending was SSC Jarod and our ISC members. We had a blast representing the Evergreen State in San Diego!

Don't forget about all the summer fun that will be offered! Registration for WOFAB is due July 14th, and what's better than a Weekend of Family and Brotherhood with all of your Super DeMolay Brothers? Also, don't forget that

DLC Registration is due July 11th. Scholarships are available by contacting Dad Chris Wheeler.

Make use of the great opportunities this summer has to offer. In the words of our new International Master Councilor Brother Braden Zimmerman, "the best day of DeMolay was not yesterday, the best of DeMolay is not today. The best day of DeMolay is tomorrow." Take some action and level up so we can make DeMolay the best it can be for tomorrow.

Fraternally,

Luke A. Walker
State Master Councilor
Washington DeMolay

Kitsap's Memorial Day Service

As the rain came down, the people of Port Orchard took shelter the Saturday of Memorial Day Weekend. Not Kitsap Chapter! They assisted Port Orchard VFW Post 2669, by laying flags to honor our veterans at the Sunset Memorial Cemetery. The Chapter helped lay well over 100 flags in only one hour, covering the cemetery in Red, White, and Blue. Kitsap's members appeared in spades, with Brothers Logan Gleason, Stephen Huiskens, Zachary Jablonski, Aaron Thomas, Nolan Guidry, Lincoln Nau, Khy Nutt, Joshua Duryea, and Rhett Allen all present and (formally) suited up. They were also assisted by SMC Luke Walker and SJC Sam Walker. These brothers definitely demonstrated what it means to honor the Seventh Precept of Patriotism and encourage other Chapters to do the same in the next few years.

Vancouver Chapter Official Visit

The Vancouver Chapter Official Visit went off without a hitch! They opened on the Initiatory and DeMolay degree followed up by a Chapter round-table get together and finding out the steps they need to take to

"Level Up" their Chapter and Washington DeMolay. Their proposed goal is more involvement with the community and getting out there with their local news, schools and hopefully other groups. After the round-table, the DeMolay Degree was performed for Brother Odin LeLacheur. The Chapter then declared from labor to recess until the fall of the gavel on June 20th where the Fourth Section will be conveyed for Brother LeLacheur. Keep up the good work Vancouver and thanks for making Washington DeMolay the way to learn leadership, have fun, and make friends.

FREE JACKET

One Free Letterman Jacket

Offer Expires Yesterday (relative to whenever you are reading this. This is true even if later time travel allows you to seek redemption of this coupon in the future past). Coupon must be sent via missile mail to the Grand Bethel Honored King, Luke Groundwalker. Coupon can be redeemed for 1 DeMolay Letterman jacket. Redeemer must have already lettered in DeMolay prior to submitting this coupon for redemption in the manner as previously mentioned. If you have not lettered already, then this coupon is deemed invalid at least as it relates to you but you are still encouraged to seek lettering in DeMolay - it is super awesome and an incredible achievement. 1 coupon allowed per redemption. Only pet sizes are available, however this excludes snakes, the new DeMolay socks will suffice for them and, before you mention it, yes we know that a sock would be completely worthless on a snake as it is cold blooded and nobody really likes snakes enough to cloth anyway.
