Pacific Northwest

DeMolay Leadership Conference

This year went magnificently! Over 40 DeMolays from Washington, Idaho, and Oregon were in attendance this year. Many lessons were taught, lots of good food was consumed, and tons of inside jokes were made that will last a lifetime! Go to the Pacific Northwest DeMolay Leadership Conference Facebook page to see all the pictures and find info if you want to go next year!

State Chapter Meeting

Join us for the term's first State Chapter Meeting, an extraordinary Initiation, and the rebirth of Wenatchee Chapter at the Wenatchee Masonic Center beginning at 5PM! Afterwards, stay in beautiful Wenatchee for fantastic activities, video games, too many inside jokes to remember, and an overnigher. But don't let the fun and memories stop there, take a short trip the next day to Yakima Chapter's Installation of Officers at the Yakima Masonic Center at 1PM where the magic will continue, it will not be one to forget! Note: All those who have a part in the degrees need to arrive at 3pm for practices. Saturday dinner, Sunday Breakfast, and Sunday Lunch will be provided. Meet at Alderwood Mall Macy's on Saturday at Noon for carpooling and caravanning over! Installations and Initiation are formal. Remember to bring a blanket, toiletries, and a change of clothes. Below is a flyer for this event!

Recently, many people across the country have been participating in the Ice Bucket Challenge to help raise awareness of ALS or Lou Gehrig's Disease. From celebrities, famous athletes, and even your Washington Masonic leaders, this challenge has not only helped in raising awareness, but also raising more money for ALS this year than any other year so far. So if you get nominated, grab a bag of ice, a bucket, and a hose and get drenched, or donate \$100 to this wonderful cause, or even both if you choose! Below is a link to the ALS Association where you can make a donation to help those who need it!

Greetings Washington DeMolay!

This summer has been busier than ever traveling around all over the state and bonding with my fellow brethren over the different activities that has been happening.

WaCup was a major success, everyone had loads of fun and I would like to congratulate my home chapter, Tacoma Chapter, on winning this year. Also DLC this year was full of DeMolay learning and was certainly an enlightening experience of our DeMolay virtues. I am certain that each DeMolay present will take home a lot of knowledge and enthusiasm to their home chapters. Gull Dummy was just as fun as always, especially everyone participating in the ALS Ice Bucket Challenge

With WOFAB fast approaching, I am excited to end this summer with such a great weekend of camping, fun, and brotherhood. Let's make this weekend more magical than any other WOFAB we've ever had, that is certainly possible.

Fraternally,
Thomas Rasar
State Master Councilor

WA DeMolay Player of the Week

Eric Garcia is one special individual. He joined DeMolay at our last Grand Master's Class, and he is already the Junior Councilor for Puyallup Chapter! The moment he joined he has been majorly involved with DeMolay, that's something you don't see everyday. Also he went to DLC this year and he definitely stood out as a magnificent leader in his projects and committees. Eric is going to do some big things in DeMolay, keep up the good work brother!
