Bring 3 to GMC

This year's Grand Master's Class will be on November 8th, 2014 at the Everett Masonic Center in Everett, WA, and we need lots and lots of candidates! And if your chapter can bring 3 to GMC, then you are in for something special! The reward is two-fold, first you are growing your chapter and second is the awesome reception at GMC that is only open to those chapters who bring 3 candidates. Also, the grand prize for the DeMolay who has the most first-line signed petitions at GMC can win either: A DeMolay sweatshirt, a date with the Corps, or a free Winter Sports Fest or Leader's Ball!!! Do you need help with accomplishing these goals? Contact your State Corps for their assistance! They are here to help you!

The SMC's Magical Missive

Greetings Washington DeMolay!

With such a packed summer coming to a close, I am very excited for all the DeMolay starting school this month. School is the perfect opportunity to learn, have fun, and bring your friends into DeMolay!!

This last month has been booked with events. WOFAB was a wonderful weekend full of brotherhood, fun, and bug bites that will last a lifetime! Also, we recently had our first quarterly State Chapter meeting, and afterwards we had the chance to watch the new beginning of Wenatchee Chapter! Finally, these last few weekends included installations for T.H. Little, Tacoma, and Rainier Chapter, and I know for sure that these chapters possess some incredible leaders to guide them for the next six months.

With WADA and Hockey Night fast approaching, I am very excited to see the growth Washington DeMolay is going to experience in the next few months. Don't forget to work on your prospect events!! We really want every Chapter to bring three candidates to Grand Master's Class. Hockey Night is a wonderful opportunity to bring potential members, that will certainly make the impossible of bringing 3 to GMC, possible.

Fraternally,
Thomas Rasar
State Master Councilor
