Bring 3 to GMC

This year's Grand Master's Class will be on November 8th, 2014 at the Everett Masonic Center in Everett, WA, and we need lots and lots of candidates! And if your chapter can bring 3 to GMC, then you are in for something special! The reward is two-fold, first you are growing your chapter and second is the awesome reception at GMC that is only open to those chapters who bring 3 candidates. Also, the grand prize for the DeMolay who has the most first-line signed petitions at GMC can win either: A DeMolay sweatshirt, a date with the Corps, or a free Winter Sports Fest or Leader's Ball!!! Do you need help with accomplishing these goals? Contact your State Corps for their assistance! They are here to help you!

The SMC's Magical Missive

Greetings Washington DeMolay!

With the fall season being brought upon us, I am very excited for all the DeMolay and holiday events that are fast approaching. My favorite, Halloween is a very sweet holiday at any age, and knowing the DeMolays in our jurisdiction, I am positive they will have some pretty awesome costumes.

This last month has been booked with events. WADA was very succesful with the many lessons and break-out sessions we had. I met with the Board of Directors in a meeting to discuss how to better WA DeMolay in every and any way possible, and it was a very prosperous meeting. It was also wonderful to attend the Job's Daughters International Day and meet the British Columbia Job's Daughters, the night then concluded with a very exciting dance. Finally, attending the Grand Master's Reception in Boise, ID was a fantastic journey where the Grand Master Derek Sprague was honored with an initiation and beautiful ritual work from our international leaders.

Investiture Day and Hockey Night are approaching quickly, I am very excited to see everyone this Saturday for a day of fun, fellowship, and reverence. Don't forget to work on your prospect events!! Grand Master's Class, is right around the corner. Remember my brothers, do everything in your power to make something that is impossible, possible.

Fraternally,
Thomas Rasar
State Master Councilor
