Got New Members? Ask Us How!

You are one of the key leaders in your Chapter! We need you to share the information here with the members and advisors of your Chapter. It is our desire to ensure frequent communications are taking place throughout the jurisdiction. Thank you for your effort in accomplishing this important mission. If you have feedback please share it with us at any of the options at the bottom of this email and we will endeavor to make it happen.

Honor Recipients in Washington

Help us honor those whom honors are due...

Once again this year we are going to be putting on an investiture day for all of the individuals who were designated for honors during our most recent ISC session. Just like last year we are going to be doing it in conjunction with the **Hockey Night** event that the State Officers are putting together. If you are a designee and you have not contacted us, you can contact [Dad Gross](#) to confirm that you are intending to be present and receive your honor. The date of this event will be **December 5th** and we are going to be holding a dinner afterwards for a small \$10 donation. The ceremonies will start at 2:00pm with the Chevalier conferral, followed by the Cross of Honor conferral at 3:00pm, and then finally the Legion of Honor conferral beginning at 4:00pm. It will be held at **Pyramid Masonic Center in Federal Way**. We will be dispersing the tickets for the hockey game during the dinner here as well. Additional N2K materials will be posted in the next week, but please put this event on your calendar so you can help us recognize those individuals who are so very deserving.

Region VIII Conference

Los Angeles, California

Your SMC, DSMC, EO, and AEO spent the last 3 days in sunny California attending the DeMolay International Region VIII Conference along with the leaders from Oregon, Southern California, Northern California, the Grand Master of DeMolay and the International Master Councilor. It was a weekend of sharing ideas, events, and the way DeMolay is done in their jurisdictions. We spend time learning to navigate the new eScribe database program and covering the status update of various DI programs coming our way. Watch for information in the coming weeks and months.

Continually bringing in new members is the life of your Chapters

...Current and Future

The BEST prospects are the friends of your newest members. You have already sold the new member on your group. Help him sell his friends. Tell him that your group would be even more fun with his friends as members. Make sure he has membership applications to use. As a part of your orientation and Big Brother program, make sure you seek the names of your newest member's friends. See that he follows up by asking them to join. Help him by holding an event geared to prospects and having everyone join in the fun. It takes the entire Chapter joining forces to grow for today and the future!

Be Sure to Begin Planning for DLC 2016

The dates are July 24-30, 2016 and will be held once again at Camp Shepard, near Enumclaw, WA. So be talking with your local lodges and anyone else who can help you send as many boys as you can to help your grow.
