

Executive Officer Briefing... May 31, 2015 - Vol. 2 Issue 3

Taco Bell, or Taco Time, What's Luke's Pick...

You are one of the key leaders in your Chapter! We need you to share the information here with the members and advisors of your Chapter. It is our desire to ensure frequent communications are taking place throughout the jurisdiction. Thank you for your effort in accomplishing this important mission. If you have feedback please share it with us at any of the options at the bottom of this email and we will endeavor to make it happen.

Calling All High School Seniors Are you graduating this year?

A request has been made by our State Senior Councilor to identify all High School Seniors who are graduating this year. So if you or someone in your Chapter is graduating this year from school, please take a minute and click on the link for our [**SSC Forrest Llyr**](#) to send him a quick email, letting him know who they are and what school they are graduating from. All your help is much appreciated in identifying our brothers who are reaching this milestone in their lives.

Washington Policy Regarding Proficiencies Please take time to understand, and ask questions if you have any...

I have been talking about this for over 1-1/2 years, consulted with many Senior DeMolay's and DeMolay Advisors, and all agree it is now time. To make sure we are all on the same page, please read the following:

Once a young man has been elected to membership, presents himself to witness the Initiatory Degree, **AND** has been reported on a Form 10 to DeMolay International, he is considered a DeMolay member. However, until he presents himself to witness the DeMolay Degree **AND** is reported on a Form 10 to DeMolay International, then and only then is he officially an Active member of DeMolay with all ranks, privileges, and upon turning 21 years old can be considered a Senior DeMolay.

The DeMolay International By-Laws 2014-15 state the following:

ARTICLE 15 - MEMBERSHIP

315.13 Obligation Card Required. Unless otherwise directed by the Executive Officer, a member

must, by standing examination in an open Chapter meeting, demonstrate that he has committed to memory the obligations and examination queries of both degrees in order to vote or hold office. When a member has demonstrated his proficiency, he will be issued an obligation card.

ARTICLE 17 - OFFICERS

317.4 Qualifications, Generally. Each officer must be an Active member of the Chapter and, unless otherwise directed by the Executive Officer, hold an obligation card, except that the Treasurer must be a legal adult. Advisors may be appointed to serve as Scribe and Treasurer.

Effective as of December 31, 2015, you are no longer "otherwise directed by the Executive Officer" of DeMolay in Washington to do anything else but **BE PROFICIENT IN BOTH OBLIGATIONS** and **HOLD AN OBLIGATION CARD to vote** (on petitions of membership, paying of bills, or Election of Officers) and/or **hold an Elected Office in a Chapter, Region or State**. This is plenty of warning for everyone and you have seven months to become compliant.

It will be the duty of the Chapter Dad Advisor and/or Advisory Council Chairman to certify those Active members holding Obligation Cards in the Chapter meetings and at the Region and State Conclave. Obligation Cards will be available from the WA DeMolay Office beginning July 1st at no charge to the Chapters as requested.

As always, if there is anything we can do to assist, [answer questions](#), or help your members and advisors - please let us know.
