Advisor Training Now Online

We encourage all current Advisors to go online and take it!

FOR IMMEDIATE RELEASE - KANSAS CITY, MO.

DeMolay International is proud to launch the online DeMolay Advisor Training program!

To access the DeMolay Advisor Training Program simply log in to eScribe.DeMolay.org and click on the Advisor Training tab at the top of the screen.

If a potential Advisor does NOT have an eScribe profile, meaning they are not a Senior DeMolay, former Advisor, or an Honorary Legion of Honor recipient they will need to register for a new profile. Registration is simple, go to DeMolay.org/AdvisorTraining.

This six module online training course is now the only officially approved Advisor Training course for new and continuing Advisors. These six modules consist of an Advisor Training program intro, how DeMolay operates, the role of the Advisory Council, Risk Management & Youth Protection policies and procedures, and concludes with a summation of resources at the Advisors' disposal. Each module is between five and 20 minutes and concludes by the participant answering a set of questions. These questions are not ranked or scored, rather the questions show what they have just learned in the video and the reference materials.

Completing the DeMolay Advisor Training program **does not mean** participants are automatically DeMolay Advisors. All potential Advisors still must complete the Advisor Application and background checks and submitted as they have been in the past. Soon you will have a place on the WADEMOLAY site that you can go to and fill in your forms online and follow a step by step process to get new adults certified to be Advisors in your local Chapters. Until then, please be patient. In the mean time if you have questions about how to handle a new adult, please reach out to your Region Deputy or the [jurisdictional office](#).
