## Membership, Membership, Membership!

*Has your Chapter reported all new members...*

## Membership...Membership...Membership!!!

We are pushing down the final stretch of the year and we are trying to make sure that all new members initiated in the last few weeks have been properly reported. If your Chapter has unreported new members please try to get them reported in the next day so that we can close off the year accurately. If you have any questions please don't hesitate to reach out to your Region Deputy or the State Office.

## Winter Sportsfest 2020

**Basketball, Dodgeball, Gatorball, and Volleyball!**

Is your Chapter ready to compete all day in some of the traditional sports we have had at Winter Sportsfest?

We will be hosting this year's tournament in Lacey, WA @ Komachin Middle School, on January 18th.

Cost for the event will be \$40 per team and \$24 per youth. Adults will be \$18 per person and registration will be due on Jan. 8th. The [N2K packet](#) can be downloaded by clicking here.

## Annual Reports Available Now

Chairman please make note of the February 21 deadline..

As we discussed at WADA your annual reports are available for you to sign in to and complete. The process is still the same as the last couple of years, and now, is available to save and come back to for ongoing use. **The deadline for getting your 2019 report**

**completed and submitted is February 21, 2020.** Just login and fill out everything and if you need to stop to get details for any reason then you can save and complete after doing so. As we move into the next year you should also follow this process so that at the end of the year you will have much less to recap when completing the report for next year.

## Membership, Membership, Membership!

**Another new Chapter off the ground...**

**Membership...Membership...Membership!!!**

*We are proud to announce that we have started another new Chapter in Washington. They will be meeting in Kennewick and will be known as Mid-Columbia Chapter. We went over and initiated 5 new guys right before Christmas. Great job by all involved and we are excited for the great things we expect to see from this Chapter. Also worth noting is that this Chapter is the first with a primary sponsor that is an Eastern Star Chapter.*

## Conclave 2020

**Conclave is right around the corner...**

*Conclave 2020 is right around the corner and you can now register to be part of the fun.*

If you have questions you can reach out to the [Convention Director Mom Allison Luedke](#). Please start making your plans now to join us in all the fun.*

## Chapter Squires

**Do you have squires at your Chapter...**

**We just had a Squires induction this last Saturday in Tacoma and several questions were raised about how to report these boys.**

**Since we have one Squires Manor in Washington in order to get them correctly reported you need to send an email to [Dad Frank Rinehart](#) who will report them into eScribe for you. You need to send all the traditional elements that you would for a new DeMolay and if he has any questions he will respond back to you.**

**Since there are many ways you can approach the Squires, if you have any unique ideas that have worked for you and you would like to share them, you can reach out to share your successes. If you have any other questions about how to handle things with regards to Squires you can call Dad Rinehart at 206-930-5171 and he will get back with you as quickly as he can.**

## Chapter Communications

**How does your Chapter communicate with each other...**

At the last WADA we had a lot of wonderful conversations and a big one centered around how our Chapters choose to communicate among their members. The BAND app, SLACK, and DISCORD were three of the most popular options discussed. They are all readily available in your app store for your phone or even on your computer at home.

With this being such an important part of how we manage our Chapters you are encouraged to check them out and see if one will work for your Chapter to assist in how you go about sharing information and details of what is happening in your local Chapter. Be sure to survey your membership so you get the best buy in from the most people. If you have questions ask around.

## Chapter Photos and Videos

*Does your Chapter have photos or videos they can share...*

DeMolay International is looking for high quality pictures and videos that your Chapter may have available to share, so they can use them for future brochures and various marketing ventures.

If you or someone in your Chapter has some please let us know so that we can forward them on to the folks in Kansas City or direct you accordingly. If you have any questions please reach out to us at the [office@wademolay.org](mailto:office@wademolay.org) email. Thanks in advance for sharing all your great work with the DeMolay world.

## Updated Protocol (Introductions) Guide

*Be sure to review the updated version...*

Greeting MC's and Chapter Dad's,

With the passing of the legislation at Conclave that changed the titles of the State Corps, we needed to do a bit of editing to the Protocol (Introductions) Guide. It have been completely updated with a few other changes and uploaded to the State Website under the Resources tab, Online Resources, and then Policies.

Click here: <https://www.wademolay.org/forms-resources-policies.html>

This is effective immediately, so toss all the old ones you have printed and begin using this newest version. A little hint, before your next big meeting/event where you will need to do formal introductions, spend a few minutes doing a practice with your MC and Marshal. Remember ~ it's the small things that make a huge impression.

Thank you!  
Dad Brunson, EO

## Galloping Gavel Program

## Do you want to take the traveling gavel?

Washington DeMolay's Galloping Gavel is a program that will be used to increase traveling within the jurisdiction. This will encourage traveling and turn travel into a type of friendly competition.

Traveling is something that many say is the reason they are as active as they are. This will not only help strengthen bonds within a Chapter but also, it will help people see how other Chapters do certain things and what can be improved on in their own home Chapter. In addition, this will help in strengthening the bonds between our brothers no matter where they are from.
