## **Conclave 2020**

**Conclave is right around the corner...**

**Conclave 2020 is right around the corner and you can now register to be part of the fun.**

**Once again we will be at Great Wolf Lodge in Grand Mound, WA. Early registration is open and can be accessed at both [wademolay.org](http://wademolay.org) and [demolaycon.org](http://demolaycon.org) for a discounted price. You should check back frequently to see new details and information about all the activities planned for Convention. If you have questions you can reach out to the [Convention Director Mom Allison Luedke](#). Please start making your plans now to join us in all the fun.**

## **Chapter Squires**

**Do you have squires at your Chapter...**

We just had a Squires induction recently in Tacoma and several questions were raised about how to report these boys.

Since we have one Squires Manor in Washington in order to get them correctly reported you need to send an email to [Dad Frank Rinehart](#) who will report them into eScribe for you. You need to send all the traditional elements that you would for a new DeMolay and if he has any questions he will respond back to you.

Since there are many ways you can approach the Squires, if you have any unique ideas that have worked for you and you would like to share them, you can reach out to share your successes. If you have any other questions about how to handle things with regards to Squires you can call Dad Rinehart at 206-930-5171 and he will get back with you as quickly as he can.

## Chapter Communications

*How does your Chapter communicate with each other...*

At the last WADA we had a lot of wonderful conversations and a big one centered around how our Chapters choose to communicate among their members. The BAND app, SLACK, and DISCORD were three of the most popular options discussed. They are all readily available in your app store for your phone or even on your computer at home.

With this being such an important part of how we manage our Chapters you are encouraged to check them out and see if one will work for your Chapter to assist in how you go about sharing information and details of what is happening in your local Chapter. Be sure to survey your membership so you get the best buy in from the most people. If you have questions ask around.
