## Updated Protocol (Introductions) Guide

**Be sure to review the updated version...**

Greeting MC's and Chapter Dad's,

With the passing of the legislation at Conclave that changed the titles of the State Corps, we needed to do a bit of editing to the Protocol (Introductions) Guide. It have been completely updated with a few other changes and uploaded to the State Website under the Resources tab, Online Resources, and then Policies.

Click here: <https://www.wademolay.org/forms-resources-policies.html>

This is effective immediately, so toss all the old ones you have printed and begin using this newest version. A little hint, before your next big meeting/event where you will need to do formal introductions, spend a few minutes doing a practice with your MC and Marshal. Remember ~ it's the small things that make a huge impression.

Thank you!  
Dad Brunson, EO

## Galloping Gavel Program

***Do you want to take the traveling gavel?***

Washington DeMolay's Galloping Gavel is a program that will be used to increase traveling within the jurisdiction. This will encourage traveling and turn travel into a type of friendly competition.

Traveling is something that many say is the reason they are as active as they are. This will not only help strengthen bonds within a Chapter but also, it will help people see how other Chapters do certain things and what can be improved on in their own home Chapter. In addition, this will help in strengthening the bonds between our brothers no matter where they are from.
