

PARKING-LOT EMAIL

Since we will not be able to have our usual hallway discussions with this virtual format – please send me your constructive comments via email. In the subject line use one of these headings for sorting. We will create a single document of all your thoughts and share with all attendees (including the speakers). We hope this will encourage continuing discussions, brainstorming, and follow-up.

- **POSITIVE FEEDBACK** *(this was AWESOME ~ focus on something that was successful and should be continued)*
- **NEGATIVE FEEDBACK** *(this SUCKED ~ focus on something that was not successful and should not be repeated ~ or needs to be totally reworked)*
- **POSITIVE FEEDFORWARD** *(we need to start doing this IDEA, SUGGESTION, INPUT ~ something that will improve performance in the future)*
- **NEGATIVE FEEDFORWARD** *(what? why? ~ something that should be avoided in the future)*
- **QUESTION / NEED HELP** *(my question is... -or- I need help with...)*
- **JUST A THOUGHT / THINKING OUT LOUD** *(I like the color neon-green, we should use it more)*
